

BRIAN LEVY GRAPHIC DESIGN

PO Box 10734, Bainbridge Island, WA 98110

briandlevy@gmail.com | 206.650.6766 | <http://brian.levy3.net>

10+ years design experience including web/ux, print, and environmental graphics. Experienced in all phases of design from concept to production. Expert skills in all major design applications and technically proficient in xhtml, css, Javascript and Actionscript. Projects have included: websites, web-based applications, logos, identities, posters, T-shirts, environmental graphics, invitations and direct mail advertising.

EXPERIENCE

01.06 – 05.09 **Infospace, Inc.** | Bellevue, WA

Product Designer

Lead user experience design for various websites including a popular meta-search engine and a user configurable portal product. Responsible for interaction design, information architecture, visual design, prototyping and asset production.

01.06 – 04.07

Contract Designer

Worked with companies large and small on a wide variety of UX projects. The bulk of my contract work was for Microsoft with the OfficeLive, Educational Strategies, and Natural User Interface groups.

11.99 – 10.05 **The Cobalt Group, Inc.** | Seattle, WA

Senior Designer

Led the design of various interactive projects including consumer facing websites, web-based applications, and interactive marketing efforts. Clients included Daimler Chrysler, General Motors, Lexus, Volkswagen, Kia, and AutoNation.

05.96 – 11.99 **The Retail Group, Inc.** | Seattle, WA

Graphic Designer

Designed comprehensive graphic design systems for retail spaces. Managed all aspects of designs from initial concept through final design and production. Projects included logo and identity design, 2-d and 3-d environmental graphics and signage, POP displays, packaging and print.

11.95 – 05.96 **The Hacker Group** | Bellevue, WA

Graphic Designer

Designed high impact direct mail advertising. Managed projects from concept to print production. Clients ranged from non-profit organizations to sports teams and financial institutions.

TOOLS

Photoshop, Illustrator, InDesign, ImageReady, Dreamweaver, Flash, HTML, JavaScript, CSS, ActionScript, Word, Excel, Mac OS, Windows, Unix, copy machine, fax, pencils, pens, markers, paper, x-acto knives, spray mount, sticky notes.
